

TRIPP UMBACH CORPORATE OVERVIEW

Focused on Research, Strategy and Impact

Founded in 1990, Tripp Umbach is a nationally recognized consulting firm that provides a comprehensive scope of services ranging from research and strategic planning to impact analyses for organizations, communities and corporations throughout the world.

Headquartered in Pittsburgh with consulting offices throughout the United States, Tripp Umbach has completed thousands of assignments worldwide and provided the blueprint for its clients to leverage their assets and seize new opportunities. Their work has generated billions of dollars in economic impact.

Known by the Clients It Keeps

Tripp Umbach's national reputation is the result of its commitment to its clients' success. The company has established long-term relationships with some of the most prestigious institutions and corporations in the world across a wide range of industries, including health care, biosciences, education, corporate, government and arts and tourism. It's clients range from the Mayo Clinic, Cornell University, 3M, MSA and Highmark Blue Cross Blue Shield to the U.S. Department of Energy, New York City and Scripps. It is known for its ability to deliver specific, actionable recommendations and to work with clients to achieve them.

Team Tripp Umbach

On average, Tripp Umbach project leaders have been with the firm for ten years. In addition to their extensive experience they set themselves apart in their commitment to building close relationships with clients and working as a part of their team to achieve their goals.

Best Place to Work

Not only is it important for Tripp Umbach to exceed their clients' expectations, they also strive to motivate and inspire their employees. In 2007, Tripp Umbach was recognized as one of the best places in Pittsburgh to work by the *Pittsburgh Post-Gazette*.
